The Bakery

325 Rutledge St. Brooklyn, NY 11211

INDUSTRIAL DESIGN INTERN | 2018

Furniture Design company. Part of my responsibilities are; Online product research, material purchase, measuring and cutting wood or metal, sanding individual pieces and applying protective coating to the final product.

Woodork

31-10 Thomson Ave, Long Island City, NY 11101

INDUSTRIAL DESIGN INTERN | Jun 2015

During my internship I was able to learn how to use more sophisticated machinery and work on projects for real customers. Market research was also an important part while designing a new piece.

US OPEN

US OPEN Flushing Meadow - Corona Park

Team Manager in the food court area. I was in charge of organizing the sales teams that changed every six hours.
