

# HEY!

## I'm Nick.

Product Designer    *Outdoorsman*

One Fun Dude

I'm an aspiring product designer, furniture maker, and Industrial Design student from the Michael Graves College at Kean University.

Funny, humble, and light-hearted I take to the design world with an intensive thought process and design with a fun and colorful twist.

I like pushing the boundaries by working with and combining different materials to make

My Own Design

Down To Business

## Skills

Wood working

Model making

Thinking of awesome ideas

Quick conceptual sketching

3D Modeling + Rendering
