### Work Experience

#### Girl Scouts of New Jersey Creative Partner/ Intern

02/2018 - present

Collaboration project between Kean University and the Girl Scouts of New Jersey. Along with another student designer, I am responsible for designing a cabin themed, STEM, mobile trailer from the ground up. The project is to be fabricated in the summer of 2018 and overseen by myself, the other student designer, and project coordinator and director of Kean's Industrial Design program.

#### Dick's Sporting Goods

11/2017 - present

Footwear Associate & Cashier

#### Freelance Illustration & Graphics

6/2016 - present

Original portraiture drawings using various mediums.

Graphite, Prismacolor markers, ink, digital (photoshop)

#### Home Depot: Millwork Associate

3/2017 - 5/2017

Responsible for creating custom products for customers using specialized software

#### Pep Boys - Sales Associate

6/2016 - 1/2017

Responsibilities included cashier, managed inventory, transferred and received products to and from multiple locations, managed store appearance, customer service, retail department, parts department

#### United States Senate - Congressional Student Intern

6/2015 - 8/2015

Responsible for organizing documents, managing display setup, updated many records and files, internet research, and created and maintained spreadsheets for office use
